**ORDER ADDRESSING
DISCOVERY AND OTHER
DEADLINES**

PAUL A. ENGELMAYER, District Judge:

The Court has received the parties' recent correspondence (Dkts. 513-516) containing requests (1) for an extension of time with respect to the deadline by which defendants are to produce document discovery relevant to the claims by plaintiff trueEX LLC and (2) for a modest extension of the deadlines governing fact discovery and class certification. The Court will reserve final judgment on these requests pending receipt of defendant's response to plaintiffs' August 30, 2018 letter (Dkt. 514), which response is due September 7, 2018.

As guidance, the Court notifies counsel that it expects to be receptive both to the request to extend the deadline for discovery relevant to trueEX, as set forth in defendants' letter of August 30, 2018 (Dkt. 513) and to a request for a modest adjustment of the broader schedule. The Court's strongest preference is that counsel for all parties attempt collegially to agree upon any modification to the schedule. The Court accordingly urges counsel to use this week to attempt to reach a global proposal as to these matters.

Pending further order of the Court, the Court extends the substantial completion deadline as to discovery from defendants relating to trueEx from the present August 31, 2018 to September 14, 2018.

SO ORDERED.

United States District Judge
